IMS and Buzzacott announce Joint Venture

IMS Consulting Limited ('IMS') and Buzzacott LLP ('Buzzacott') have announced the launch of IMS Buzzacott LLP, a joint venture set up to offer outsourced accounting, regulatory financial reporting, tax and administration services to the UK financial services industry.

Having worked together closely for a number of years, the joint venture formalises the successful relationship that already exists between the two firms. The partnership allows both parties to broaden the scope of services available to new and existing clients, giving them access to a full range of compliance and business support services from a single provider.
